For a more thorough guide—and to learn all the rules to refine whatever Tengwar phrases you craft for your project—please check out Kris’ Beginner Guide titled “Writing English Using Tolkien’s Tengwar”. The PDF is available for FREE on their website: www.elf-boi.com. Kris can also be commissioned for translations and transliterations if you want to be certain what you’re stitching is correct or for any other project you have in mind. Elvish is an art in itself, so if you don’t want to spend a lot of time on this kind of detail, Kris can definitely help!
